SOTI Inc.

All the right ingredients for success

Cost Competitive

Tech companies in Mississauga benefit from being within the most cost competitive major tech market in North America for labour and office space

Large Tech Talent Pool

As part of the Toronto Region, Mississauga consistently ranks in the Top 5 global tech talent markets

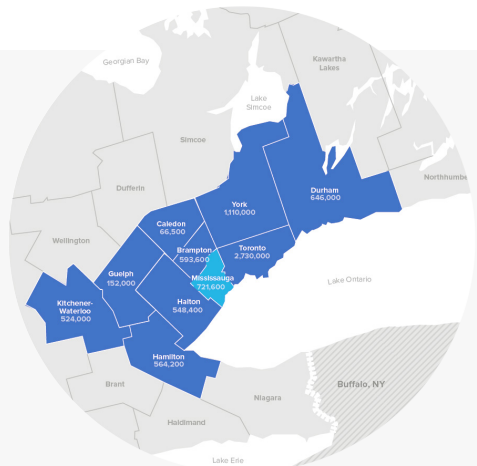

Tech Talent Growth

Between 2017 and 2022, the Toronto Region added the most tech talent jobs, outdone only by the San Francisco Bay Area

One of North America's Largest Markets

The Toronto Region boasts 9 million people, 1.2 million companies, and a GDP of \$538 billion, ranking it among North America's largest economies with notable innovation and technology hubs.
